Policy Statement

Bridge the Gap Child Mental Health C.I.C recognises the importance of learner and user complaints and welcomes feedback as a valuable form of information about its services. We are committed to using the information we receive to help drive forward improvements. This procedure outlines the aims of Bridge the Gap Child Mental Health C.I.C in dealing with complaints and sets out what you as the customer can expect when making a complaint regarding a service.

A complaint is a way of letting us know that you are not happy with a particular service. We welcome your feedback. A complaint may be about delay, lack of response, discourtesy, failure to consult or about the standard of service you have received.

So please let us know if:
